

## Product Specification

### Forklift Hydraulic Multi Purpose Clamps

The DHE Materials Handling Forklift Hydraulic Multi Purpose Clamps efficiently and economically handle nearly any types of paper carton, wooden carton, metal carton and baled products including tobacco, newsprint, chemical, fiber at the workshop and port. Highly efficient and economic to handle with or without work platform. All our Forklift attachments are fully compliant and come with a conformance plate attached. A compliance certificate and operations manual are available upon request.

### Specifications

Capacity@Load Center	Model	Mounting Class	Opening Range	Arm Height	Arm Length	Frame Width	Arm Thickness	Overall Height	Vertical Center of Gravity	Weight	Effective Thickness	Horizontal Center of Gravity
